STRICTLY CONFIDENTIAL
&
IMMEDIATE.

My dear Madhava Rao,

I left Bangalore this morning by the Passenger Train and arrived here at 4.30 P.M. Mr. M. Seshadri, Inspector-General of Police also arrived here a few minutes before I came in.

Mr. Seshadri and I went to Shimoga and saw the injured persons in the Hospital. There are six injured Government Servants in the Hospital, the Police Inspector, the Revenue Inspector, the Police Duffedar and three Police Constables. One Constable is suffering from concussion and is unconscious and another has developed Pneumonia. The others are progressing well. Two villagers of Isur Village have admitted themselves into the Hospital for the treatment for gun-shot wounds.

I understand that the whole population, both men and women of Isur Village, have left their homes. One arrest is reported to have been made at Isur today. I have not been able to get into touch with the Deputy Commissioner, but from what is learnt from people who have come from Shikarpur today, there is nothing further to report than what has already been communicated to Government by the Deputy Commissioner.

30 men out of the troops stationed at Bhadravathi, have gone to Shikarpur and about 50 Provincial Reserve Police men also have been sent there. The Special train bringing the troops from Mysore is expected here at 10 o'clock this evening. I shall ask them to remain here and arrange for 10 of the Mysore Lancers who are now here to proceed to Shikarpur with their horses. They will be leaving this on Friday morning. The mounted troops will be useful for patrolling the Villages round about Isur and on the British Frontier. The information available is that the

tomorrow morning and planning to get back tomorrow evening after making local enquiries and making necessary arrangements for - patrolling the area and for the proper investigation of the cases which have been registered. I shall send you a message after I return to Bhadravathi. I shall probably get back to Bangalore on Friday morning.

Yours Sincerely

MINISTER FOR FINANCE AND REVENUE.

I left Bangalore on the morning of the 30th September by the Poona Passenger train and reached Bhadravathi in the afternoon at 4.30. I met the General Manager, Mysore Iron and Steel Works and made enquiries regarding the situation there. There was no excitement of any kind and the labourers were attending the factory and doing their work normally. The families of the labourers who were dismissed were gradually leaving the place without creating any trouble. The Inspector-General of Police had arrived in Bhadravathi a short time before I arrived there. He and I went to Shimoga on hearing that the Officers injured at Isur, Shikarpur Taluk had been brought there for treatment. I found in the Hospital six injured persons, the Police Inspector, the Revenue Inspector, the Police Duffedar and three Constables. The condition of the Police Duffedar and one Police Constable was causing anxiety, the former because he had developed pneumonia and the latter because he had sustained injuries to his head and was unconscious eversince he was struck down at Isur. Two persons from Isur have admitted themselves into the Hospital for treatment for gun-shot injuries. One of them, a goldsmith, has been shot through the chest and the other a Lingayet on his cheek. Neither of them is in danger of his life. I met some of the important non-official gentlemen at Shimoga. They expressed horror at the brutal manner in which the Amildar, the Police Inspector and others were set upon and assaulted by the people of Isur. I returned to Bhadravathi at 7.30 P.M.

2. On the morning of the 1st instant, the Inspector General of Police and I left Bhadravathi for Shikarpur. The Revenue Commissioner who had arrived on tour also accompanied us. We first went to the Mc Gann Hospital at Shimoga and made enquiries regarding the condition of the injured persons. We learnt from the District Medical Officer that all of th

including the Police Duffedar and the Constable who were unconscious.

3. We then proceeded to Shikarpur via Soulanga. Beyond Harogoppa where the road branches to Anjanapur, we found that the telegraph line had been cut at several points. Roadside trees which had been cut down and thrown across the road to prevent the movement of tropps to Shikarpur, had been removed and were lying by the side of the road. One culvert had been damaged but had been repaired. We arrived at Shikarpur at about 10.30 A.M.

4. We met the Deputy Commissioner at the Travellers' Bungalow and made enquiries about the situation. The trouble is due to the spread of the civil disobedience movement started in British India. This area is in close proximity to Byadgi, Hubli and other places in Southern Dharwar where the political situation has been extremely grave and there has been sabotage, interruption of communications etc. There was an incident on the 22nd September at Shiralkoppa when the Sub Inspector was assaulted by a mob. Several villages have become acutely infected with this agitation and there has been open defiance of all Governmental authority. Isur which is situated on the road from Anjanapur to Shikarpur is one of the villages seriously affected. The village is a big one with a population of nearly 1800 people most of whom are Lingayets. The people are very well-to-do. The lands are very fertile and are assured of an unfailing water supply since the construction of the Anjanapur Reservoir.

5. The situation in Isur for some time past had assumed a very grave aspect. The villagers in a body had declared themselves against what they described as the present irresponsible Government. They organized themselves and set up a kind of parallel Government. They appointed a young lad of eight years as their " Amildar " and formed a small volunteer corps to enforce the decisions of the new organization. They wanted the Patel, the Shanbhogue and the members of the Village Panchayet to resign their Offices. The Patel and the Shanbhogue refused to

26th September. On their refusal to resign, their records were taken away and they were sentenced to a fine or in default of its payment to stand on one leg for three hours. The Patel refused to take the punishment but the Shanbhogue was compelled to stand on one leg for over an hour. Volunteers enforced the punishment, any attempt on the part of the Shanbhogue to put down his leg being prevented by blows. The Shanbhogue went to Shikarpur on the 27th to report to the Amildar what had happened. He could not see the Amildar that day. When he went to see him on the morning of the 28th he found that the Amildar and party had left for Gama which is a village adjoining Isur.

6. On the morning of the 28th September the Amildar accompanied by the Police Inspector, the Sub Inspector, the Revenue Inspector, the Police Duffedar and three Constables went to Gama, where also this agitation had gathered strength, with a view to advise the villagers against the course of action that they were taking. They had a fairly successful meeting with the villagers. It seems to have been their idea to return to Shikarpur from Gama but one of them seems to have suggested that as they had come so far they might as well visit Isur and then return to Shikarpur. They moved on to Isur which they reached about noon. At the entrance to the village, a notice board had been put up that no servant of the irresponsible Government should enter the village and if they did——. The penalty was not stated. It obviously meant that they would do so at their own risk. The party entered the village and were soon met by a number of boys and girls who asked them to remove their hats, to resign their jobs, to put on Gandhi caps and join the Congress. The party were greatly pestered by the crowd but somehow they managed to reach the local temple which is situated to the south of the village. The crowd had greatly increased by this time and the members of the party had been closely surrounded. One of the crowd knocked down the hat of the Sub Inspector. When the Sub Inspector turned towards his assailant he was pushed about and dropped to the ground. Finding himself surrounded by the people who were in an ugly

he then fired his revolver and two or three persons were hit. The crowd shouted for the assistance of the villagers and soon the whole village assembled there. This is a very thickly populated village. Every house has a stock of fuel stacked in its back-yard. The mob armed themselves from these staks of fire-wood and belaboured the Amildar and party in the most brutal manner. All members of the party were severely beaten. The Amildar and the Sub Inspector of Police were battered to death on the spot. One Police Constable escaped and the others fell unconscious on the spot. A peculiar feature of the attack was that even women and children belonging to the well-to-do families in the village took an active part in the assault.

7. News of the occurrence reached Shikarpur about 3 o'clock in the afternoon, and the Taluk Sheristedar in consultation with the Special Magistrate who was camping at Shikarpur sent information by messengers on cycles to Shimoga. These messengers met the Assistant Engineer Mr. Hutchaveeraiya who was working on the road near Harogoppa who undertook to convey the message. The Deputy Commissioner, the District Medical Officer and the Reserve Police arrived at Shikarpur about 11 o'clock at night by which time the injured men and the bodies of the deceased Officers also arrived at Shikarpur. The despatch of the bodies from Isur to Shikarpur was arranged by a neighbouring villager by name Kadappa who has had a very bad record for creating many troubles in this area previously. He is closely connected with the people of Isur. He seems to have been sent for by the people of Isur after the Police party had been assaulted. Kadappa came to the village and probably realising that the villagers had gone much further than they should have, persuaded the villagers to send away the injured men and the bodies to Shikarpur. To people at Shimoga who have known Kadappa, the fact that he helped to send away the injured men to Shikarpur was a surprise. Latterly he has been trying to influence the Deputy Commissioner and others in favour of the people who have perpetrated the offence at Isur. The Deputy Commissioner told me that Kadappa behaved in a very insolent manner when he visited the village and he was threatening the Officers that if they

57

they did not listen to his suggestions, he would approach high Officers of Government and get the Lawyers in Shimoga to agitate.

8. The foregoing is a brief account of the occurrence at Isur.

9. I had a discussion of the arrangements to be made for the future. The first point is the investigation of the case for rioting and murder that has been registered by the Police. The village of Isur has been deserted except for a few old women and old men. The villagers seem to have run away to the jungles closeby and they come back to the village only at night to cook and eat their food. They leave the village early in the morning and keep out the whole day.

10. The injured persons have given the names of several of those who took part in the attack made on them. Over 40 names have been given and of them only two have been arrested. The two persons injured by gun-shot, who also participated in the assault, will now be arrested. The remaining persons have to be traced and arrested. A strong Police force has been moved into Isur. Search parties will be sent out to the surrounding areas to trace and apprehend the persons who are in hiding. The civil disobedience movement in the adjoining British area is very strong and as the political agitators in that area have been greatly responsible for developing this movement in such a violent form in this area, it is possible that some of the rioters may have escaped into the British limits. Not only will these people have to be traced but further attempts to create trouble in Mysore limits prevented. With this object in view, we decided that a detachment should be stationed at Shiralkoppa and Shikarpur. The rest of the force will for the present be kept at Isur. There are at present in Shikarpur about 70 Provincial Reserve Police and 30 men of the Mysore Lancers Horse. 3 Platoons of the Mysore Infantry have arrived in Bhadravathi. One Platoon will be retained at Bhadravathi and the other two sent to Shikarpur. The Mobile Wireless set from the Palace will be sent to Shikarpur so that it may be available for the Deputy Commissioner to send messages to Bhadravathi, Mysore and Bangalore. The other Palace

Wireless set will be retained at Bhadravathi.

11. Shikarpur is quiet and it is understood that quite a large number of people of the Town are horrified of the doings of the people of Isur. A few important Patels have resigned their offices and it is feared that several more may do so. These people have thrown themselves into the Congress movement whole-heartedly and both by their position and local influence are trying to keep the movement in strength.

12. For the present everything is quiet and the force locally available is adequate to deal with any emergency that may arise. At the same time the local authorities must be on the alert.

13. I left Isur at about 2.30 P.M., and went to - Anjanapur. I returned to Bhadravathi in the evening after calling on the way at the Hospital to make enquiries about the wounded persons.

14. Just about the time I was about to leave Bhadravathi, I received information that trouble was anticipated at Nyamathi in Honnali Taluk and at Tirthahalli on the following day in connection with the celebration of Gandhi Jayanthi. The local authorities had asked for help. Arrangements were - immediately made to send a detachment of the Mysore Horse to Nyamathi in charge of Major Shama Rao and a Platoon of the - Palace Infantry to Thirthahalli. The Platoon that goes to - Thirthahalli will later proceed to Shikarpur. The men of the Mysore Horse sent to Nyamathi will later return to Arsikere from which they were drawn for duty at Bhadravathi.

15. It is very necessary that C.I.D. staff should be sent in sufficient strength to find out the organization of this movement in Shikarpur Taluk, the names of those who have actively participated in it, the nature and extent of the - support it has received from outside and so on. Both on this subject and also on the necessity of getting into touch with the British Police authorities of Dharwar, I have given necessary instructions to the Inspector-General of Police. The Inspector-General of Police will camp at Shimoga for some time

41

keep himself in touch with the Deputy Commissioner who is in Shikarpur.

16. I left Bhadravathi on the night of the 1st instant and returned to Bangalore on the morning of the 2nd instant.

17. I met the Dewan and explained to him the situation in Shikarpur.

18. The labour at Bhadravathi is quiet and there is no room for any anxiety.

19. I have put down the foregoing facts on record for the information of Government.

The congress activities at Issoor, Shikaripur taluk, began on 17-8-1942 with a procession led by Shantaveeriah, Mallesappa and Rudrappa - students of Issoor Middle School in the villages of Issoor, Gama and Chickjogihalli. On 24-8-42, Babanna, Revannappa and Papanna - students of Shimoga. and Lingappa - a student of the Intermediate College, Shimoga, all residents of Issoor, visited Issoor village and led a procession. The same evening a meeting was held with Sahukar Basavannappa as president. Angadi Halappa, Soorappachari, Ramappachari, Paniappachari and Devangada Shankarappa took a leading part in the meeting (Sahukar Basavannappa, Soorappachari and Paniappachari are the important accused in the present case). Speeches were delivered at the said meeting advising the villagers not to send their children to schools, not to give help to Government servants who visit the village and refuse payment of taxes etc. till freedom was achieved. It is also learnt that the villagers were apprised of the shooting incidents at Bangalore and Davanagere and with a view to avoid the information of the said shooting spreading to other parts of the State, the Government themselves dislocated the train services as well as the telegraph. On 27-8-42, another meeting was held in front of Veerabhadra temple with Sahukar Basavannappa as president. The speakers in the meeting advocated that the villagers should freely cut trees in the forests without obtaining any license, not to pay taxes etc. On 28-8-42, another procession was led in the village with slogans "Gandhi-Ki-Jai" " ಕಳ್ಳಂಬಳ್ಳಿಲ ಯಂಲ್ಲಾಮನ್ನು ಕೊಂಡಿ" etc. Later. the processionists gathered in the house of Sahukar Basavannapa and collected subscriptions in the village. On 6-9-42, Patel Gurubasavaiah of Issoor reported that Prabhat Pheri was going

on in Issoor village and that students were taking part in the processions, prominent among them being Sahukar Basavannappa, Angadi Halappa, Lingoji ~~Rxm~~ and others, and that they have also written in conspicuous places in the village that they should set fire to Taluk Office and burn the Daftars of Patels and Shanbhogues etc. On 13-9-42, a public meeting was held in Shikaripur town with Neelakantappa (a student) of Shikaripur as president. Nagavanda Brahmappa, Shivaram Mallari Jois of Rettehalli(both of Dharwar District), and Devangada Shankarappa of Issoor delivered speeches saying that the Government servants are depending on the moneys of the ryots and that the pay of the Police (C.I.D.) who are taking down speeches delivered by them is paid out of this money and that they (C.I.Ds.) should not be allowed to do so - ಪೊಲೀಸ್ ಅಂಕಿ ಬರೆದುಕೊಂಡರು etc. All these speakers are learnt to have visited Issoor on 14-9-42 and held a meeting and delivered speeches inciting the villagers not to pay taxes etc. On 15-9-42, Nisarani Halappa, Devangada Shankarappa and Sahukar Basavannappa visited Gama village and held a public meeting with Annadana Siddalingappa as president. The speakers are reported to have advocated a No-Tax- Campaign, to take proper action against the Patels and Shanbhogues and other village servants to see that they do not perform their duties, that village records with the Patels and Shanbhogues are to be burnt, and that all Government servants should be disgraced if they visited the villages etc. Their speeches have been reported to be very inciting. It is learnt that Brahmappa of Nagavanda (Dharwar Dist.), Mahadevappa - a student and a native of Churchigundi, Ningoji, Revannappa - students of High School and natives of Issoor, were inciting the villagers to disgrace the Government servants and not to pay taxes. The local congressites N.R. Girimaji, Vasappa Gogi and K. Hanumantha Reddi are also said to have visited

the village and carried on propaganda inciting the people. All the three have been subsequently arrested and detained. On 17-9-42, when Police Constable No.319 Venkatapathi visited Issoor village, the congressites are reported to have insulted him by removing his turban and taking him in the streets with a Gandhi cap on his head. On 19-9-42 Police Constable No. 314 Mohamed Beig was submitted to similar humiliation by Sahukar Basavannappa, Lingoji, Shivappa and others who made the constable carry a congress flag in his hand and asked him not to visit the village again and should he visit the village again, he would be made to wear a saree and taken round. On 25-9-42, the Sub-Inspector of Police, Shikaripur kasaba, reported that Annadanam Siddalingappa. Sahukar Basavannappa, Hoogti Mahadevappa, Gurubasaviah of Gama, Nisani Halappa. Devangada Shankarappa are responsible for causing damage to the culvert in Haroguppe. On 26-9-42, Police Constable Guttappa is learnt to have gone to Issoor - his native place - to perform his father's ceremony. About 100 to 150 persons are reported to have caught hold of the Constable at the entrance of the village and taken him to Veerabhadra temple where Angadi Halappa is said to have questioned the Constable as to from where he had come and where he was going etc. Guttappa was not allowed to go to his house but detained in the temple till mid-night and then permitted to go to his house. The same day, the Daftars of the Patel and Shanbhogue were burnt. On 27-9-42, a Prabhat Pheri was taken out in the village under the leadership of Sahukar Basavannappa and his wife Halamma. Police Constable Guttappa was forced to take part in the Prabhat Pheri. While Prabhat Pheri was going on in the village, Angadi Halappa, Basavannappa and others exhorted the villagers to be ready with their clubs etc. and do away with the lives of the Police and other Government servants when they visit the village. They constructed a pandal in the village, held a meeting and appointed a boy named Jayappa as Congress Amildar and decided to obey him and act according to his directions. They caught hold of Patel Channabasappa, and Shanbhogue Rangappa when they had gone

to the village and made them to stand the whole day in the hot sun on one leg and insulted them very badly as per directions of the so-called Congress Amildar Jayappa. The girls of the village took a very leading part in insulting the Shanbhogue and the Patel. The Patel and Shanbhogue were let off the same evening with instructions to tender resignation to their offices.

About a fortnight before 28-9-42, the villagers are said to have hung up a board at the entrance to the village with writings in Kannada " స్వతంత్ర కార్యము - పన్నులు కట్టకూడదు కట్టినచో వీరభద్రుడు అనుకూలం ఉండడు...ఒళ్ళకే ఇందకే...?

They also wrote at Veerabhadra temple that taxes should not be paid, Post offices to be burnt and the Government officers to be murdered etc.

The Congress Movement was given an impetus at Issoor by Brahmappa of Nagavanda and Shivaram Mallari Jois of Rattehalli, who came from Hirekerur taluk in Dharwar District. Sahukar Basavannappa of Issoor took the lead in strengthening the Movement. Kadappa of Churchigundi is also reported to have aided the said Basavannappa in strengthening the Movement. Basavannappa and Kadappa of Churchigundi are now absconding and arrangements are made to secure both of them. Arrangements are also made to secure the 12 congressites of Shiralakoppa and 8 persons of Sorab taluk who are taking a leading part in setting up agitation in Sorab and Shikaripur taluks.

The Patel and the Shanbhogue of Issoor, after the humiliation and torture on 27th went to Shikaripur on 28th morning to report to the Amildar who had by that time left for Issoor with the Police Inspector, Sub-Inspector, Daffedar and 4 Constables, besides the Revenue Inspector. The Amildar and the Police officers first visited Gama where the villagers advised the Amildar that it is not safe to visit Issoor without sufficient Police force. The Sub-Inspector is reported to have prevailed on the

on the Amildar and taken him to Isoor. Leaving the bicycles in Chickjogihalli the Amildar and the Police officers walked to Isoor where at the entrance they found a board referred to in para 2. The Sub-Inspector seized the board and a boy watchman kept at the place gave intimation to the villagers about the arrival of the officers and the removal of the board. When the Amildar and the Police officers reached Veerabhadra Temple a gong was sounded and all the villagers gathered at the Temple. Some girls began to pull the uniform of the Sub-Inspector, while some villagers removed the hats of the Sub-Inspector, the Police Inspector and the Amildar despite the advise of the officers not to do so. The villagers took to violence and began to push the officers. The Sub-Inspector then opened fire with his revolver (used 3 rounds) and Gurushanthappa and Paniyappachari sustained injuries. Immediately the villagers attacked the officers again with clubs and beat them till the Sub-Inspector and the Amildar were dead. The Inspector and the Revenue Inspector were tied to a pole and beaten till they were rescued. Even water was refused to the dying officers and they were saved from being burnt alive only by the interference of the neighbouring villagers, who removed the bodies as well as the injured to Shikaripur hospital the same evening. After these were removed the villagers went about cutting the telegraph wires running between Shikaripur and Shimoga and obstructed the road from Shimoga to Shikaripur by cutting huge trees and putting them across the road. The Deputy Commissioner is reported to have received intimation at Bhadravati by about 4-30 p.m. and left for Shikaripur by about 7 p.m. The officers went to Isoor on 29th evening.

INSPECTOR-GENERAL OF POLICE
IN MYSORE.

Copy of a report dated 16-10-42 by an officer of the Special Branch C.I.D. in Mysore, Bangalore.

Visited Hosanagar and Nagar. It is learnt that Prabhat Pheri is going on in Hosanagar and Nagar every morning and that Mudalabagilu Krishnappa of Hosanagar is taking the lead for carrying on Prabhat Pheris in Hosanagar. The local police informed me that except Prabhat Pheries no activities such as no-tax campaign etc. are going on.

Some boys of Hosanagar have been booked already under Secs. 454, 427 and 147 I.P.C. for having entered an arrack shop in Hosanagar town by breaking open it and for breaking the jar etc.

One Nandgappa a native of Davanagere and an ex-Middle-School teacher of Nagar was arrested yesterday(15-10-42) under Rule 26 of the Defence of India Rules as he was very active in advising the villagers not to pay land revenue etc. Some boys mostly Saraswats assembled when he was arrested in Nagar. He was served with food in the house of Sahukar Bheema-Rao.

It is learnt that Mr. Srinivasa Udep of Nagar has sent his resignation letter to the District War Committee, Shimoga. I requested the Police Inspector, Hosanagar to watch the activities of Raka Ibrahim Sab, District Board Member (on congress ticket) and to take necessary action if he is taking part in the Civil Disobedience Movement.

It is learnt that some Patels and Shanbhogues of Thirthahalli taluk have sent up their resignations to their respective offices and the number of Patels and Shanbhogues is roughly estimated to be about 50 & 60 respectively. It is further learnt that it was due to propaganda work turned out by Kadidala Manjappa Gowda and others(Kadidala Manjappa Gowda was arrested).

Jwarari Manjanathiah who was also responsible for this, has been arrested (15-10-42) for detention by the Police-

Inspector, Shimoga. I was also present. His son Jwarari Srinivasa Rao has gone to Thirthanalli again. Sub-Inspector, Shimoga is requested to arrest him as he is expected here.

It is learnt that Sadasiva Rao - brother-in-law of Kasaravalli Sahukar Mr. Nagabhushana Rao is very active in that taluk regarding whose activities mention is made in a previous report.

Rama Krishna Rao, Nagesha Rao - brothers of Mr. Nagabhushana Rao are also learnt to be visiting the villages in that taluk exhorting patels and shanbhogues to resign their posts.

The activities of these persons are brought to the notice of the local police for taking action if necessary.

A meeting of students of College and schools is proposed to be held in the Town Hall, Shimoga, on 21-10-42 to discuss whether the strike of college and schols should be continued or called off. Permission is learnt to have been obtained to convene the meeting in the Town Hall.

Public talk much regarding the alleged atrocities of the Military and Police at Issoor.

It is learnt that some people of Nyamathi had approached Correspondent Mr. Rama Rao day-before-yesterday and stated that the military stationed in Nyamathi are washing their clothes in the drinking water-pond and they are easing near by (i.e. to the pond) and the said matter may be published in the newspapers etc. It is learnt that Mr. Rama Rao told them that they may approach the authorities who are in Nyamathi or any one in Shimoga and seek redress and that he would not report such things for publication in the paper etc.

ISUR CASE TRIAL

VILLAGERS HAD THEIR OWN "AMILDAR"

—:oo:—

m Our Regd. Correspondent)

(Camp) SAGAR. Nov. 4

The trial in the case against fifty persons in connection with the Issur incident has begun before Mr A. Sundararaja Rao, the Special Judge. The proceedings commenced on last Saturday when three witnesses for the prosecution were examined.

There are 110 witnesses for the prosecution. Among the 50 accused, 9 are absconding.

Chargesheet

The following points are mentioned in the chargesheet.

The accused as also the villagers of Isur were taking part in a movement calculated against the Government of Mysore They were aiding the Mysore Congress, despite its being declared unlawful. The accused as also the residents of the Isur participated in the campaign against Government, supported the Non Co-operation movement, disturbed public tranquillity and prevented Government officials from their respective avocations. During the period between 25-9 42 and 27 9-42 they harassed the Shanbhogue and Patel of the Village and burnt some of their records In connection with this affair and to take suitable steps, Mr. V. N. Channakrishnappa, the Amildar of the Shikaripur Taluk Mr. S L. Kenchegowda and other officials went to the spot on the morning of 28—9—42 The accused and others conspired to arm and meet them with blows Consequently, Mr. V. N Channakrishnappa, the Amildar and Mr S L Kenchegowda, Sub Inspector, died on the spot. Also several others were seriously injured The accused not content with robbing off the revolver and other things found on the persons of the officials, had also detained them unlawfully.

Patel's Evidence

Mr. Channabasavaiya, the Patel of the Village in the course of his examination deposed that while himself and the Shanbhogue had been to Issur on 25-9 42 for collection of revenue, some boys and girls approached them shouting 'remove your turbans', 'wear khadi' and 'resign your posts'. The youngsters also took away the record books and refused to return them. "After complaining with the Amildar at Shikaripur we again went toIssur on27 9 42 to see our record books taken back Again some students came to us and asked us to meet their 'Amildar' Bewildered at their 'Amildar', we refused to go, but were forcibly taken away to a pendal with beating of drums [illegible] e pandal there [illegible]hairs. The [illegible]pa was seated [illegible] him was asked to [illegible] him a told When [illegible] me my [illegible]ked [illegible]ion, were armed with lathis. I appealed to them that I could not withstand the the strain as I was aged, then I normally stood. But the Shanbhoge was asked to continue standing on one leg While he could not he was being beaten They also beat me. Two hours passed like this. They mademe hold the National flag and asked me to take a solemn oath to resign my post I repeated what they said The Shanbhogue also likewise did it. And then we were released and I returned back.

"On the next morning (28—9—42) when I intended to report the matter to the Amildar, I came to know that the Amildar & Sub-Inspector and others had gone to the village. As I was tired, I sent my son to Isur He came back with the news that the Amildar and Sub-Inspector had dead and others in precarious condition. I asked him to convey news to Shikaripur. Next day I accompanied the Deputy Commissioner to the spot.

Then the accused Shankarappa cross examined the witness.

Shanbhogue's Evidence

Then Mr. Ranganatha Rao, the Shanbhogue, gave evidence. He corroborated fairly all that was deposed by the Patel.

Others

Afterwards Mr. Rudrappa,

REVISION PETITION FILED IN HIGH COURT

(From Our Regd. Correspondent)

BANGALORE, Nov. 5

Arguments were advanced yesterday before Mr. Justice Subrahmanya Iyer in the Mysore High Court by Mr. A R. Somanatha Iyer for admission of two criminal revision petitions on behalf of two accused in theIsur case contending that Special First Class Magistrate at Sagar should not have transferred the case to the file of the Special Judge as per Government order and praying for stay of the proceedings of the case pending the disposal of the petition.

house and he was sent through the back door. On suspicion of the presence of the Constable some persons came to his house but they returned as they could not find him there.

Next, Mr. Budan Sab, in his examination said that there was a huge gathering in the Veerabhadra Temple and he heard firing. When I went out I saw the Amildar and Police Sub Inspector being beaten. Sahukar Basavannappa, holding a lathi in his hand, was asking the mob to continue beating. Afraid of this I went home. Afterwards I found the Amildar and Sub Inspector tied to woods. Their bodies were drenched with blood. A net banian and a drawer—this was all that was on the persons of the Amildar and the Sub Inspector Their clothes had been burnt. Then I returned."

As promptly reported by me already to the Durbar, about 10 Congress members of the L.C., two Assembly members of the Congress including Mr Bhujpathi Chandrashekhara Setty & Mr B.S. Puttaswamy saw me on 14/12/42 at 10 AM. & represented (1) a visit by me or by some officer deputed by me, in association with 2 non-officials, to Issur & enquire into the alleged excesses by the Mily & the Police stationed at Issur, subsequent to the incident on 28/9/42 and (2) the issue of instructions to the Police still stationed there not to interfere with the ordinary life of the people.

Re (2) I promised to pass on the req^{n} to the I.G. of Police for investigation & necessary action, if their fears happen to be well founded. I have instructed the D.S.P. As regards (1) I said that ~~the Govt~~ my
recollection was that any visit by me would
be prejudicial in the long run, as several
important accused persons are yet to be
apprehended & have yet to stand their trial
& that any visit of an Off^r with non-offls
is inopportune. They said that as the
situation is now normal, there should be no
objection. I told them that the situation
could not be described as normal, until
certain subjects of this Business who have
given wide scope of sympathy with C. D. movement
hanging on a Non-Injurious issue had
not declared their disassociation from it and
declared their political ambitions ended
with approaching this Business for the
Abrogating the Constitution and did not-
extend to Defences & outside.

3) I added that, in any case, their
request would be Considered further by us.

4) ~~Govt~~ I have considered over the
matter further. It does not appear proper
to allow any non-officials to visit Imam

5) I told them that ~~even~~ since any Mil^y

5) I agree with the Law Minister that it is not necessary (nor would it be proper) to allow anything like an enquiry by non officials into this matter. The I.G.P was asked some time ago to visit the Talaimannar area & assure himself that the members of the P.R.P & Military detachments were under strict discipline and that no room was given for any complaint even of a minor character. He may be asked to put on record his conclusions after his visit on the conclusions formed and (extra) patrol arrangements if made after his visit.

7) Meanwhile, it is seen from the report of the Dy Supt of Police dated 5th Dec 1964 that during the whole period of his stay at and near Issuru he did not receive "even one complaint" from the villagers against the Police or Military and that adequate precautions were taken to safeguard property in the village. The Deputy Commy who carried out these (Actually) confirms the D.S.P's statement and says that up till now no one has come to him with any complaint of pilfering or ill treatment by the Police.

I am to request you to kindly put on record the conclusions formed by you and also inform Government about the extra arrangements, if any, that were made there as a result of your visit.

The favour of a very early reply is requested.

Dear Mr. Appaji Gowda,

13/2/43

With reference to your office D.O. letter No.3093/C.B. dated January 2, 1943, I write to say that I visited Shikaripur and Isoor on the 2nd December 1942. At Shikaripur I met the Vice-President of the Municipality and other leaders. At Isoor, I spent nearly 3 hours and met some of the ryots. I heard no complaint except that the Reserve Police stationed at Isoor were not permitting the movements of the people from the village during nights. The Police explained that they were not preventing anybody but that they were ~~not~~ only questioning those who came into the village or went out of the village during nights in order to make sure that none of the absconding accused slipped out of the village unnoticed during nights. I instructed the police not to place any restrictions on the movement of the people of the village except to the minimum extent that may be necessary to keep a look out for the absconding accused persons.

The P.R.P. detachment stationed at Isoor consisted only of one Inspector, one Naik and 12 men. Inspector Mr. Ball was in charge of them. He assured me that the men were being kept under discipline. Subsequently I withdrew Inspector Mr. Ball and posted in his stead an Indian Subedar Major to be in charge of the men stationed at Isoor.

Subsequently I instructed the Dist. Supt. of Police to visit Isoor and to let me know whether my instructions had been carried out. I am enclosing herewith, for

favour of perusal a copy of the report dated 18-12-42 from the Dist. Supt. of Police, Shimoga.

Yours sincerely.

Report No. C.C.29/42-43 dated 18th December 1942 from the Dist. Supt. of Police, Shimoga Dist.

Kind D.O. No. C.C.105(i)/ 42-43 of the 16th instant was received yesterday. As per personal instructions, left to me, needful instructions had been left to the Staff of P.R.P. stationed at Shikaripur and Essoor and also to the local officers in the matter. As far as my information goes, the instructions have been carried out so far, to the very letter. Even this day, I had been to Esoor just to find out how far the complaints are true. I had met the Village Patel, Panchayet members and Chairman and many others in the village itself and had a long talk with them. None of them came forward complaining that their movements are restricted by the Police camping at the place. The general complaint of the Esoor villagers is that the Revenue Authorities are not permitting them to harvest their paddy stocked in the fields, until their revenue is clared and also added that merchants taking advantage of this, are demanding the paddy at a lower rate. I have advised them personally to approach the Taluk Amildar and explain their difficulties so that they may have relief through him. It is true that our Police men posted at Esoor are making enquiries of persons that visit Esoor from outside, just to find out whether any of them are the absconding accused. Again, I have left personal instructions to the staff at Esoor and also to the local police, not to give room for such complaints. As the Taluk Amildar was away on tour, I had met the Taluk Sheristedar and requested him to give all possible relief to the ryots of Esoor if they approach them for help.

As regards other points not only I have left instructions to my Inspectors personally but also, I have commenced touring in the interior of the district just to meet the influential people and to see what I can to maintain peace and order in the villages. If there is anything which requires prompt prevential action, I shall see that it is nipped in time so that there may be no developments.

9C No. 876/42-47
Encls.

To

The Inspector General of Police,
in Mysore, Bangalore.

7/12/42
873

Sir,

As desired I have the honour to state that as per the phone message received through the Assistant to the Inspector General of Police in Mysore, Bangalore at 9 P.M. on 28-9-1942 I proceeded to Shimoga by the night train and reached the place in the morning of 29-9-42. Along with the Provincial Reserve Police Staff that came from Bhadravathi I left Shimoga at 9 A.M. and after an eventful journey reached Shikaripur at 2-30- P.M.

Inquest on the dead bodies of the Amildar and Sub Inspector was being held by the Sub Division Officer, Sagar. The investigation of the case was in charge of Mr. Narasimhachar with the assistance of Messrs K.S. Ramachandra Rao, Prosecuting Police Inspector and Rajanna Setty, Sub Inspector.

Accompanied the Deputy Commissioner to Issur the same day with Provincial Reserve Police and Military Staff. The entire village was deserted. Only a few old people were found. Most of the houses were not even locked. Things were found scattered about in confusion. Obviously the people had fled from the village in great haste and consternation. A few houses of the accused were searched and nothing incriminating was found. Returned to Shikaripur ~~back~~ late in the night. On 30th September, we again visited the villages. Some more houses were searched. Returned to Shikaripur late in the evening.

On 1-10-42, the Finance Minister, Revenue Commissioner and the Inspector General of Police came to Shikaripur. They all visited Issur and went away the same day. The Deputy Commissioner and I camped at Issur till 7-10-42. The Deputy Commissioner left Issur on 7-10-42. I continued

81

P.T.O.

I continued to camp at Issur till 11-10-42.

During my stay, adequate precautions were taken to safe-guard property and life and against anything irregular and objectionable on the part of the Police and the Military.

Encouraged by the Civility with which the people were treated, villagers slowly returned to the village in large numbers. Not one complaint of any kind was made to me by the public against the Police or the Military personnel.

On 10-10-42 information was received that the house of Sanukar Basavannappa was on fire. I immediately proceeded to the spot with all the Provincial Reserve Police Staff and with great difficulty brought the fire under control. Exhaustive enquiries made regarding the fire, disclosed that it was purely accidental. I left Issur on 11-10-42. The Provincial Reserve Police Staff however was still at Issur. I left Shimoga on 13-10-42.

I have the honour to be,

Sir,

Your most obedient Servant.

The village was practically a deserted one except for a few old people found here and there. Some of the houses were vacant with doors flung open and some empty things left behind by the owners thereof indicating their hurried departure. Special Reserve men under the supervision of the Sub Inspector Mr. Rajanna Sir, were posted in the village with a view to safeguard the properties of the run-away villagers and to secure the accused persons wanted in the case. of Shikaripur Kasaba. On the afternoon of 29.9.42
I went to Isur from Shikaripur along with the
Deputy Commissioner, D.S.P. Mr. Bapu Reddy and
others. The village presented a deserted
appearance and all most all the villagers had
left the village. only a few old men and
women were seen. After attending to the work
at Isur, we returned to Shikaripur in the
evening - to D.O. Mr. Narasimhachar making
proper arrangements for guarding the village
Next morning we all went again to Isur
and found that Some more men had
returned to the village. That day also we
returned to Shikaripur in the evening.

4th October 1942 and Was Camping at
Idam for some time. I was at
Idam till 23.10.42 assisting the D.O
in the investigation except for a few days
in the middle. During our stay at Idam,
proper arrangements had been made to
safeguard the life and property of the people of Idam,
who at first had vacated but later gradually
returned to the village in increasing numbers.
No body ever complained to me about any
ill treatment, looting, or loss of property or damage
to property or crops. On 10.10.42, however, one
Mahadevappa, a neighbour of Sahukar Basavanyappa
reported that the house of Sahukar Basavanyappa
was on fire. The fire was brought under
control and finally quenched with the
help of the P.R.P. men and the villagers. One
inquiry disclosed that the fire was an
accidental one and a memo to that effect
same effect was drawn at the time.
The P.R.P. force was continued at Idam
even subsequent to 23.10.42. for the
purpose of maintaining law and order and
to apprehend the absconding accused if they
were to return to the village.

1310. I have undertaken to provide answer to Parliamentary question to-day asking for "particulars of trial for murder and rioting in which eleven persons were sentenced to death and thirteen others to transportation for life; whether others were also tried; and whether accused were only persons engaged in this crime or whether they formed part of a larger gathering". Question is apparently based on Reuter report of December 5th of "the first case tried under Special Tribunal Courts Act in Mysore State" in connection with murder and rioting at village ISSUR on September 28th.

2. I shall be grateful for such information as you think it proper for me to give in reply. Resident's Express Letter of October 1st F.119/1942 para. No. 6 contains no reference to rioting.
